

On the Train Towards the Future!

a proposed communications programme about sustainable mobility, climate change and carfree communities

Cinérail East
Festival International
Train, Métro & Cinéma

In Warsaw as new trams and trains enter service!

INDEPENDENT MOBILITY!
*To the toy store in the capital,
then to your grandchildren in
the suburbs...*

THE PERFECT COMPANION!
*To church in your village and
on the train to the capital...*

www.strida.com

A programme on sustainable mobility, climate change and carfree communities

- Integrated with events focusing on urban & regional transportation (foot, wheelchair, bicycle, tram, bus, train) and urban & regional planning
- Participatory events and entertainment for all ages and interest levels
- Activities coordinated in partnership with local environmental NGOs and government bodies
- Materials from World Carfree Network resource centre in Polish and English
